Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450RESPONSE TO DECISION ON PETITION

Dear Sir:

This is in response to the Decision on Petition mailed on February 5, 2007. A petition under 37 C.F.R. 1.137(b) was filed on September 1, 2006, to revive the above-identified application. It was accompanied by an amendment. The petition was dismissed because it was signed by Philip Rimer whose relationship to the application was not identified and there is no indication he occupied a recognized relationship to the application.

As the Petitions Attorney who signed the decision correctly pointed out, one of the parties who can sign such papers is an assignee as provided for under §3.71(b).

On May 11, 2007, the Superior Court of Justice of Ontario, Canada entered a judgment that certain assets of Centric-Safe-Haven Inc., including the above-identified patent application, are vested in a corporation by the name of 2083461 Ontario Inc. On May 25, 2007, that

CH1 11235177.1

judgment was forwarded to the USPTO for recordal. A copy of the document sent to the PTO is enclosed. Also enclosed is an acknowledgement by the EPAS Server. Accordingly, the assignee is 2083461 Ontario Inc. The undersigned hereby confirms that Philip Rimer is an officer of 2083461 Ontario Inc. Therefore, the Petition to Revive is signed by a proper party.

It is requested that the petition be considered on its merits and be granted.

The undersigned would like to confirm that he spoke with the Petitions Attorney, Charlemena Grant, on April 17, 2007, and explained the above to her. It is the understanding of the undersigned that this procedure would be acceptable to her.

If there are any outstanding issues, a call to the undersigned would be appreciated.

Respectfully submitted,
